## INTERNET RETAILER RANKS SEKO LOGISTICS IN ITS TOP 10 VENDORS TO THE TOP 1,000 E-RETAILERS IN THE U.S.

**SEKO Logistics unique combination of eCommerce technology solutions and logistics services has earned it another top 10 ranking in Internet Retailers' 2017 guide to Leading Vendors to the Top 1000 e-retailers in the U.S.**

For its 2017 report, Internet Retailer applied 41 metrics to 1,807 eCommerce applications and service providers offering solutions to North America's Top 1000 e-retailers.

Vendor rankings are based on their number of retail clients ranked in the Internet Retailer 2016 Top 500 Guide® and Second 500 Guide and the web sales those retailers represent, Internet Retailer states. Its exclusive research comprehensively ranks every vendor across 30 solutions categories.

Brian Bourke, Vice President of Marketing at SEKO Logistics, commented: "Internet Retailer is the primary resource for brands, retailers and e-tailers across the world,

and we are honored to be recognized once again as a top 10 shipping and transportation vendor to the top 1000 internet retailers. We continue to innovate with our omni-channel

logistics solutions to help our customers adapt to rapid changes in consumer demand and expectations. For SEKO customers, that means they have access to eCommerce development and design, logistics, fulfillment, improved customer communication all the way through to final mile delivery. For other companies looking to start or grow their online sales, it also means we can offer them a rapid and proven route into both the domestic U.S. and international markets using our complete omni-channel solution. This is now one of the fastest-growing areas of our business."
