

Quality Policy

SEKO Worldwide, LLC is a quality conscious organization for the provision of global freight forwarding, transportation, logistics, and warehouse services.

Our Mission is to provide:

- Exemplary customer service and best-in-class solutions to our transportation and logistics customers worldwide.
- This is accomplished with a commitment to exceed our customers' expectations and requirements.

SEKO acknowledges quality as an ongoing process. Through our commitment to continual improvement, we will remain a leader in the industries we serve.

Our quality commitment is based upon SEKO's Core Values.

Core Values

Customer Focus: Serving our customers and satisfying their needs.

Respect: For ourselves, all others, and our community.

Teamwork: Working together as a team in everything we do each day.

Integrity: No compromise. We hold ourselves accountable for our actions.

Fun: Keeping ourselves motivated by working hard and playing hard.
