Congratulations and thank you for continuing as an Accredited Business with the Better Business Bureau serving Chicago and Northern Illinois.

Your support of the BBB shows your interest in serving customers and working with your vendors in fair, honest and ethical ways. This contributes to strengthening our business communities. It also supports BBB programs and activities to promote and sustain trust and ethics in the marketplace.

The enclosed Accreditation Certificate can be proudly displayed at your place of business. The certificate also may be copied to include in any of your merchandising and marketing portfolios or displays that your sales staff may be using.

The Accreditation Certificate takes the place of the previous plaques with their annual renewal stickers. If you would like to continue displaying a plaque we have a new redesigned version that is available for a small fee of \$20. If you desire a plaque, please contact your Accredited Business Services team at abservices@chicago.bbb.org or 312-245-2517.

As an Accredited Business we also recommend that you log in to your Accredited Business portal to manage your account, stay up to date on all the analytics we track regarding your Accreditation, download all your BBB logos, access tools for customer reviews and many more options. Please visit <http://www.bbb.org/chicago/login> to login to your portal.

Your Accreditation is an investment in good business practices. It helps to support the many services that the BBB provides free to consumers, businesses and their employees. These include BBB Business Reviews, Customer Reviews, our dispute resolution program, and a far-reaching consumer education program, which covers information on identity theft protection, scam avoidance, wise spending and financial fitness.

On behalf of our Board of Directors, thank you for your continuing support of the BBB. Your Accreditation says to customers and businesses alike that: "When you deal with my business, you can 'Start with Trust'."

Sincerely,

Steve J. Bernas
President & CEO
