MedTec Solutions

Sensitive, high-value equipment deserves sensitive, high-value logistics. That's why we created MedTec – your prescription for the careful transport of medical, electronic, diagnostic, imaging, computer and display equipment, as well as other high-tech equipment.

SEKO MedTec Solutions is the best in class provider of time definite transport and logistics solutions for sensitive high-value and high-tech electronics equipment. Utilizing a comprehensive suite of customized IT solutions, 3PL warehouses and an Air Ride Network, we have the tools, experience and capabilities to enhance your supply chain.

We have a sustainable competitive advantage through first class MedTec facilities, skilled engineering and project management services within a complaint quality system. Partnering with SEKO's MedTec Solutions provides value through our world-class services, expertise, quality and care.

"I want to thank you for everything you do, but especially looking forward and keeping systems on site so we reduce travel costs out of and right back into a facility. That really helps. Thanks folks!"

**Louis Cunningham -
GE Healthcare**
